Riley Creek Recreation Area

Riley Creek Recreation Area is our largest developed overnight facility. Vast lawns and lots of trees gives you the choice of soaking up the sun or relaxing in the shade. There is plenty of space to have a picnic. You can also reserve a picnic shelter for your group event. From the town of Priest River, Idaho, drive about 9 miles east on U.S. Highway 2 to the town of Laclede. If you're coming from Sandpoint, the town of Laclede is about 13 miles west on U.S. Highway 2. Turn south on Riley Creek Road at the highway marker signs; the recreation area is one mile in at the end of the road.
